

Smart Track RCS170 – a reliable way to create outstanding lighting

Smart Track

Designed for operation in conjunction with the Smart Spot projector range, Smart Track is a one-phase track with enhanced earthing to ensure safety. This reliable and flexible solution offers a choice of colours, lengths and different-shaped couplers in order to meet challenging applications.

Benefits

- Extra safe: no worries about safety
- Durable: long life and high reliability
- Flexible: users can mix and match components as required

Features

- Safety protection
- Lifetime and reliability rigorously tested
- Three colours, two lengths, three connecting couplers

Application

- Shopping areas
- Art galleries
