

# OptiVision MVP507

## ZVP507 SAD

OPTIVISION - Simple aiming device

Optivision is an asymmetric downlighting luminaire that combines compact dimensions with very high efficiency. Available with narrow, medium and wide beams for flexibility in application, it provides excellent control of spill light and limitation of glare and upward leakage of light. Optivision can accommodate metal-halide lamps for good colour rendering or high-pressure sodium lamps for economical operation. Excellent spill-light control, limitation of glare and upward leakage of light is secured by asymmetric optics that achieve peak intensity at 60° and a sharp cut-off of light at 80°. The MHN-LA/FC lamps guarantee pleasant and natural colour rendering and comfortable atmosphere.

### Product data

General Information		Order product name	
Aiming attachments	SAD [ Simple aiming device]	Order product name	ZVP507 SAD
Product family code	ZVP507 [ OPTIVISION]	EAN/UPC – product	8711559154275
Mechanical and Housing		Order code	910403012712
Dimensions (height x width x depth)	NaN x NaN x NaN mm (NaN x NaN x NaN in)	SAP numerator – quantity per pack	1
Product Data		Numerator – packs per outer box	1
Full product code	871155915427500	SAP material	910403012712
		SAP net weight (piece)	0.300 kg
