

TUV Amalgam XPT systems

TUV 200W XPT SE UNP/20

TUV Amalgam XPT lamps are long-arc UVC (germicidal) lamps used in professional water disinfection equipment. They combine high efficiency with relatively high power density. Thanks to their constant UVC output over the complete lifetime, these lamps can be dimmed to reach the same UVC output compared with similar lamps on the market, allowing for approximately 10% energy savings. The special amalgam used allows for flexibility in system design and application temperature.

Warnings and Safety

- A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
- DANGER: Risk Group 3 Ultra Violet product. These lamps emit high-power UV radiation that can cause severe injury to skin and eyes. Avoid eye and skin exposure to unshielded product. Use only in an enclosed environment which shields users from the radiation.

Product data

General Information		Order product name	TUV 200W XPT SE UNP/20
Cap-Base	G10.2Q [G10.2q]	Order code	928106905112
Operating Position	UNIVERSAL [Any or Universal (U)]	Numerator - Quantity Per Pack	1
Operating and Electrical		Numerator - Packs per outer box	20
Lamp Current (Nom)	2.1 A	Material number (12NC)	928106905112
Controls and Dimming		Full product name	TUV 200W XPT SE UNP/20
Dimmable	Yes	EAN/UPC - Case	8727900801231
Product Data			
Full product code	872790080123100
